

A Lockdown Interview

We are a group of young people who want Newcastle to be an even friendlier place for children to grow up. To help us do that we need to hear from about all sorts of experiences you might have while growing up. We want to start with Lock down and then ask you about the equipment you use to go online.

We want to talk to you about your experience during the Covid-19 pandemic and what you did during lock down.

You can either draw a picture or tell us in words about your experience?

What was the best thing about lockdown?

Add your ideas here.

What aspects of pre-lock down life would you change as we approach the 'new' normal?

Tell us something about your lockdown experience?

Hand the completed form back to your worker and they pass it to us.

What was the worse thing about lockdown?
